South Park: Phone Destroyer is a masterpiece from South Park Studios and RedLynx (Ubisoft Studio). If all else fails, contact technical support. Everything is available to absolutely all players, regardless of whether they pay or not. The progress of receiving the next PvP set will be saved. Conventional: The foundation of any deck. This game is free. Some Cartman coins ... Some of them are easy to obtain, and some are not. Raising the map level is very simple. The higher your rank, the better your rewards and the more cool cards available to you. You start the battle with five cards in hand. Killer attacks do massive damage, but are pretty easy to kill. For victories in PvP mode, you will receive free kits. Each episode consists of five stages. As with many CCGs, there are a few strategies you should consider when starting out if you want to keep winning. Do not upgrade your starting deck too much as you will earn better cards later on in the game. Stages Children from South Park have prepared for you a whole bunch of stages, each of which will have to be taken with a fight. South Park Destroyer Mobile: Team Guide I can't join the team. In the article, we summarized pumping tips from TOP players, developers "answers to gamers" questions, guides for beginners from the official site and our secrets for passing the game. If you do not want to spend real life money on these, we recommend you keep it safe and use it only when you really want to buy a card pack. There are characters so cool that their very presence on the battlefield already changes the situation! For example, a character can heal allies or reduce the attack power of nearby enemies. Perhaps a certain level or rank of PvP is required. Yes, you can play on multiple devices on iOS or Android if you use the same Game Center (for iOS) or Google (for Android) account on them. Moreover, all its characteristics increase significantly (health, attack, etc.). Let them know as much as possible about your account: Your name in the game, Beginner level, PvP rank and so on. Created and voiced by Trey Parker and Matt Stone. South Park Destroyer Mobile: PvP Secrets The basics. Why? Players face off against "humans vs. If you try to add a third topic to the deck, the game will prompt you to remove the cards from one of the topics presented in the deck. PvP is a lot different from the normal PvE battles. Make sure you have speedy assassin type characters, some ranged characters, and good tanks. 2. The team is full. You can pick it up at Cartman's store. You can buy them for real money. They behave differently on the battlefield. The main thing in the game is strategically correct placement of cards. Therefore, to ask a friend for a card, you first need to find it in card sets or in lockers. Save your premium currency You'll earn small amounts of premium currency just by playing the game, but avoid spending it on anything but new card packs. In overtime, the winner is the first to destroy the division on the opponent's health scale. During the game, your character gains experience and gains levels. It should be able to handle diverse situations. He is armed with a sword, stick, or a pair of fists, inflicting melee damage to enemies. You can even gain the ability to find stronger allies. Jeronimo! Skills of this type are triggered as soon as you play the corresponding card. Having earned all the stars in the highest rank, you fall into the list of legends. There are several ways to get new cards. Hence the game gives you free cards after every the timer ends. Like Cartman, he updates the assortment once every 24 hours. You can play the higher difficulty levels to progress the game but playing these lower difficulty levels again will yield rewards such as cards, materials, and currency so you must farm rewards by playing these old levels repeatedly. Maybe the character will run up to the enemy and hit him well. Topics. For example, you can take only 12 cards into battle. But opponents have become stronger! Episodes. It doesn't matter what theme the enemy Randy has or what his name is. Make sure the device is signed in to a Game Center or Google account. Do not worry if you are in danger of losing the match and losing the rank star. All players are equal, but this does not apply to cards. In this case, new members are not accepted. There are two ways. In single player mode, you cannot play a character card that is already on the battlefield. You are not smart enough to join this team, Beginner. Attention, the Wise Geek website is constantly updated, visit us more often. Here you will find many cards for healing and energy gain. Before you use their abilities, you must learn what the abilities are for and what are they good against. Always look for rare cards that come with special abilities and make sure that they are on your deck. Will it be added? What is South Park: Phone Destroyer? The game South Park: Phone Destroyer is based on tactics and strategy, so play more and study your opponents to avenge them! My favorite character is not in the game. Legendary: I don't want to be cool! This is the pearl of any collection. Therefore, you need to make sure that you grab the free cards after the timer ends. Yes. Raising the level of an episode also improves the loot you receive at the end of each stage. This concludes our South Park: Phone Destroyer Tips and Strategies Guide. If the card can no longer be improved, you can increase its level. They really can be controlled! There are several characters in the game who can charge their skills. For more help on South Park: Phone Destroyer, you can check out our Outfits Unlocks Guide. During the initial phases of the game, you must focus on gathering as much material as possible so that you can upgrade cards later when you start getting decent cards. When the skill is ready to use, a bubble will appear above the character's head. Is this game free? Or help each other improve decks and Beginners by requesting and sending cards. And also every 8 hours you can ask for a regular or rare card and get 12 copies (a regular or 3 copies of a rare one in response. Mobile Destroyer South Park: Important Game Basics Newbie. Who knows? Several epic cards can turn the tide of any fight. Is this the official South Park animated game? aliens" style combat in the South Park crew's imaginative, hyper-violent style. Adventure, cowboys, Indians, ninjas and pirates. Such cards successfully solve their problem, but do not expect the impossible from them. These abilities will greatly help you in different difficult situations. In short, an ageless classic! These are simple cards from times when life was much easier. This means that a new production has appeared on it, which can be obtained. Among the cards can be both characters who will help you attack enemies or defend the Novice, as well as destructive spells that damage enemies or help your allies. Need cards or coins? Each class has their own pros and cons. For example, you have a Randy card in your hand. A bunch of bullies. PvP sets. In the future, it is planned to add new characters to the game. Fantasy: These cards are necessary to strengthen those that have already entered the game. This application was created in such a way that there is nothing blocked in it at all. You should keep cards belonging to each class of the game. Your tank will lead the charge, soaking up damage so your other units can swoop in and deal big damage. If you're not planning on spending real life money in the game, cards should be your number one priority. In this case, in single player mode, the game will be paused, but in PvP mode in multiplayer this will not happen. Deck. You don't need to play all of your cards at once, and sometimes it's even enough to have just two or three lower energy cards on the field at a time. We have curated this South Park: Phone Destroyer Tips and Strategies Guide so that you can learn some tips and strategies to win. To use the skill, just let the corresponding character die and enjoy the effect! Sorry Kenny! The effect. Each card in the game relates to one of the topics. Most characters have special skills. Contents Mobile Destroyer South Park: A Beginner's Guide Types of cards. Therefore, you need to pick wisely. Moreover, it works only on ordinary and rare classes. In PvP battles in multiplayer mode, you can use the same characters as the enemy, but you can not play the same character that is already standing on your battlefield. Just touch the "Add deck" button at the top of the screen when you're at the Beginner's house. Is it possible to save game progress when switching from iOS to Android or vice versa? Unfortunately, it's not possible to transfer game progress from iOS to Android or from Android to iOS. How to win in PvP? For each victory in PvP mode you get one star. Touch and hold any character on the battlefield. Before you jump in some PvP battles, make sure that you have made considerable progress in the PvE mode so that you are already well aware of all the game mechanics and your card deck has a few decent cards. Each card will have its own role during a match so you must have a balanced deck. At each stage, you are waiting for production. I need a specific card, but I cannot request it. Skip purchasing cards for the starting time and focus on collecting materials. Do not forget to enter the game and get your sets. Every four hours you get one free set. Eric can store no more than two sets, so the third and all subsequent ones will disappear if you do not pick up the first two on time. Having earned all the stars of your current rank, you move to the next. To do this, you need to collect the necessary items, which are listed on the map improvement page. Conserve energy Use your energy wisely. If you do not play cards, then do not draw new ones. Create a deck. And you simply smartly manage the phone. Each time you go through a stage in a campaign or win in PvP mode, you can open three out of ten lockers. There are several types of cards. When you begin to complete a level or enter a PvP battle, you find yourself on the battlefield. The better the rewards, the more victories you need. Variety is key to success in Phone Destroyer, so keep this in mind when building out your first deck. To get new maps, complete missions in a single player campaign, open sets and crush opponents in real-time PvP battles! How to play? In addition, you need to upgrade the cards that you use. Last wish. However, sometimes you will still come across weaker or stronger opponents. Characters are divided into several classes: fighters, killers, tanks and arrows. Health and attack bonuses, invulnerability and a whole bunch of other cool power-ups - all this awaits you in the "Fantasy" theme. You decide which card to play, when to do it and where to put it. As the level grows, the Novice gains many advantages: he becomes stronger, more efficiently attacks with his phone beam. Battle cry. The criteria here are game progress, level and skills. Here are three reasons why this happens: 1. Keep a balanced deck Your deck should be able to handle any situation the game throws at you. This collection contains a good set of base cards, on the basis of which any player can create a deck of his dreams that best suits his favorite strategy. Learn how to gauge how the battle is going and use cards only where necessary. You never lose a card. Everything can be received without payment, but if you want to spend real money - please. Of all the special skills, these are the most special. Last but not least. Your phone can shoot a laser beam that deals damage to enemies. Here you can challenge the strongest players in the world! Your rank shield will show your position relative to other players. Beat them all and find yourself on the first line! How does match selection work? In one deck you can combine no more than two themes, but there can be as many neutral cards as you like. Rarity level. Just started playing the last couple of days and wanted to know if anyone had any tips for players starting out. Page 2 13 comments South Park made its big mobile debut last week with South Park: Phone Destroyer, a card battler featuring your favorite South Park characters. Touch it, and the rest will happen by itself. They come in four types. I use the correct account, but the game progress is still gone! Contact technical support. If at the end of the battle the number of integer divisions of both players is equal, an overtime begins, which will last one minute. Your friends will die of envy if you come across this. A balanced deck is a key to success during battles. Upgrading cards that you do not use will be a waste of materials. Each set requires a certain number of victories in PvP battles. When compiling a deck, several restrictions apply. 3. Where to get the cards? Each locker will have a unique reward, however; three of this locker will give very special rewards. It is enough to collect the required number of copies and spend some Cartman coins. South Park: Phone Destroyer is a free to play card battling game with many pay-to-win elements. They focus on dealing direct damage. If you need copies of epic or legendary cards, look for them in shops or lockers with loot. Fighter: Your main universal combat character. Who are the game developers? Playing PvP South Park: Phone Destroyer also features PvP battles where you can go online and test your might against other real-world players. Remember the main rule of the team: do not skimp - share! And finally, for each donated copy you get additional coins and increase the level of the Novice. No way. In a word, the sea will be fun. Just move forward and defeat opponents. Butters also has his own store. My game progress is gone! Be sure to use the correct Game Center account (if you are playing on an iOS device) or Google (if you are playing on an Android device). Dead characters return to the deck, so you can use them again and again! Maps have many different useful properties, so do not forget to carefully review your collection! How to control a character who is already on the battlefield? Although there are some familiar characters here, the game South Park: Phone Destroyer is not related to The Stick of Truth. At first, you can't lose the stars, but at the highest ranks for losing the match, a star will be removed from you! List of legends. You also get a limited amount of premium currency at the start of the game. I constantly lose in PvP mode! Why? Even if you do not have copies of it, the card itself can still be used! In addition, it happens that you don't need some cards right now, but your comrades are eager to get them. Shooter: attacks enemies from a long distance, but quickly dies in melee. Keep them safe for card packs and avoid buying any other thing with them. You can enhance the characteristics of the card with an improvement. Winning a PvP match will take you to the PvP mining screen. Maybe he will throw something at him or poison him, or maybe he will strengthen your other characters. To start a PvP match, simply tap the "Fight" button on the main screen or join the fight in Butters' house. Only then, you will be able to use them effectively in matches. When all stages gain enough levels, the level of the episode will increase. You may have several decks. It shows how much energy you have left. If you are willing to watch an ad, you get to pick the fourth locker as well. So play wisely! My opponent played a character card, but I don't know who it is! During the game, you can at any time find out information about the card in two ways: Touch and hold any card in your hand. Some characters use their skills when they die. Spells: Take and conjure them to damage enemies or help allies. Maintain a Balanced Deck Another thing that you must keep in mind is that your deck must be balanced. Most likely you are just playing badly. Characters play a card and it turns into a character on the battlefield. For an ordinary card - 2 experience points and 5 coins, and for a rare card - 6 experience points and 15 coins. The game will always try to pick up an opponent of the same rank for you. If in a reasonable time this cannot be done, you will find the enemy one rank higher or lower than you. Mysticism: in this topic, ancient religions are confronted with modern ones. Here are a few beginner tips to get you started. Make sure there is a tank on the field at all times! You should always have a tank on the field (you'll start with Sheriff Cartman, to begin with) to help protect your squishier characters. South Park: Phone Destroyer Tips and Strategies Guide South Park: Phone Destroyer Tips and Strategies Guide details everything that you need to know about winning in South Park: Phone Destroyer. Tank, Fighter, Assassins, and Ranged. You can send other characters into battle so that they help the first to survive. Remember that the range there is limited, but Eric manages to update it every 24 hours. You can open three lockers, as in single mode. True, the rewards here are slightly different. Pick anyone that you like and you will earn rewards from these lockers. Epic: these cards play a huge role in battle. Buy cards at Cartman's store for coins. And, more importantly, the limit of improvements is increasing. You will never have to go through the same stage twice! When you defeat the main boss, the stage will gain a new level. He himself will have a corresponding effect on nearby fighters until he dies. There are multiple ways you can get more cards for your collection. You'll need better cards to stand a better chance in tougher battles. The system works in such a way that in most cases you get equal opponents. In some of them is hidden an incredibly chic reward! Cartman's shop. South Park: Phone Destroyer Tips and Strategies Building your Deck You will be spending half your time building and maintaining your card collection in the game. How to make cards stronger? And the card will get a new level! All cards are initially level 1, and you can improve them six times. It's so good that you even get special skills connected with it! You can summon allies that cast spells. Killer: small, fast and deadly. Why should I give my cards? To select cards, transfer them from your collection of open cards to the deck. After every battle that you win, you will be given an option to pick three lockers from ten. To use the skill, just put the character on the battlefield. The more people, the more fun - that's why! You can chat and discuss cards, decks, strategies with teammates. Each of them has its own energy price (the number in the upper left corner of the map). Or his vengeful spirit will appear on the battlefield, which will fulfill retaliation for the killer. No more than 50 people can join it. South Park: Phone Destroyer is the official mobile game in South Park. For completing the stage you can get 3 out of 10 possible rewards. Rare: powerful and effective cards, without which it is impossible to create a truly competitive deck. Participate in PvP battles, win and collect your kits! Lockers with booty. Special skills. If you want to add anything to this guide, feel free to use the comments section below! SOUTH PARK DESTRUCTOR MOBILE - Android game with release date 11/08/2017 from the company Ubisoft. Game Genre: Strategy. Grades. What are PvP packs? Free sets. Therefore, you better keep them safe. Say a character can leave a grenade that does a lot of damage. Farm Battles You can play lower difficulty battles as many times you like so you must play them often to win rewards. You play as a Beginner who has just arrived in the city. Powerful characters and destructive spells are waiting for you! NF: robots and aliens - an attack from the future! The NF deck is simply designed to control the battlefield. If no one achieves the result in a minute, the game ends in a draw. Once things get tough, you'll want to have plenty of energy stored up to pull out the big guns. Tank: does not do so much damage, but it is very hardy, it is difficult to kill. Perhaps among them will be your favorite hero of the animated series, perhaps you will find an unexpected interpretation of an existing character or even a completely new hero, who will come up with Trey and Matt. Maps in the game South Park: Phone Destroyer are divided into four levels of rarity. It offers freezing, mind control and various accelerators. You will make up a deck in the Novice's house. In the lower left corner of the screen you will see a battery indicator. Level up. If the enemy Randy is already on the battlefield, you cannot play your own while he is alive. Improvement. It is necessary to reduce the enemy's health reserve to zero and end the battle with more intact divisions on the health scale than the enemy's. Premium kits. Neutral: not everyone in South Park loves to change clothes, so these characters are collected in a neutral theme. But there is good news: they can be included in any deck. Use the tricky properties of cards to manipulate the enemy. Just drag the card from your hand onto the battlefield and see what happens! As soon as the card is played, you will receive a new one from your battle deck. As soon as your tank gets knocked out, make sure you have energy stashed up to play a new one ASAP. The game does not start! Be sure to use a compatible device. Why should I join a team? True, he plays the role of Don King, and therefore sells goods for PvP tickets. You can buy second-tier card packs when they become available. Gather a team from the heroes of South Park, join the battle and defeat opponents! Or die. Say, if you want to play Cartman, and your Cartman is already on the battlefield, you have to wait until he dies. Feel free to share your own South Park: Phone Destroyer tips and tricks in the comments below! In this South Park: Phone Destroyer Tips and Strategies Guide, we will guide you on how you can win in South Park: Phone Destroyer. Using Special Abilities Rare cards in the game come with their own special abilities that you can use in the game. They are given as a reward for winning in multiplayer mode. Aura. To activate the skill, just play the character, and he will do everything. South Park: Phone Destroyer is a mobile card game with dynamic battles in real time. Is this a sequel to The Stick of Truth? You need to practice and develop your characters, and voila - the improvement is ready! The maximum possible number of improvements for one card is strictly limited by the rules of the Canadian Department of Mobile Games. After that, she turns into a character who lives (and dies) on her own. The leader declared the team "closed". South Park the Destroyer Mobile: Bugs and Fitchy games Can I use multiple devices for the game at once? Since the game is a free-to-play game, it wants you to come back after every few minutes. Sometimes I can't play the right card! In the deck, it turns gray and does not respond to my commands! Cards can turn gray for two reasons: You do not have enough energy to play this or that card; This character is already participating in the battle. You can only request copies of cards that you already have. Her stock is replenished over time. Your Beginner uses energy to play cards. You can even turn off in-game purchases in the settings of your device, if you want. Author of the article: Nadezhda D. Butters Store.
