Level 2 Qualification with Certificate Level 3 Qualificat Qualification with Certificate Level 2 Qualification with Certificate Level 3 Qualification with with Certificate Level 2 Qualification with Certificate Level 3 Qualification with Certificate L Certificate Level 2 Qualification with Certificate Level 3 Qualification with Certificate Level Level 2 Qualification with Certificate Level 3 Qualificat the support available from the government to help you gain the skills you need to get the job you want, whatever your stage of life. A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A levels. The qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma, or A level 3 qualification is equivalent to an advanced technical certificate or diploma and the second technical cert eligible, you will not have to pay for your level 3 qualification. The government will pay the course fees. What you can study Qualifications are currently available in: accounting and finance agriculture building and construction business management childcare and early years digital engineering environmental conservation health and social care horticulture and forestry hospitality and catering manufacturing technologies mathematics and statistics medicine and dentistry public services science teaching and distribution Who is eligible You can get a free level 3 qualification if you're: aged 19 or over earn below £25,000 or are unemployed In some areas, there may be slightly different rules about the maximum amount you can earn and the qualifications you already have. Check with your local training provider to find out what the rules are in your local training provider to find out what the rules are i area. Set the distance you're willing to travel. Some can be studied part-time or online. Contact the college or training provider. Confirm they offer the qualification you're accepted, you will not have to pay a course fee. You may also be able to get help to pay for childcare, travel and other costs. You can also search for courses on your local college's or training free places for level 3 qualifications for free. The National Careers Service offers free advice to help with decisions about careers, training courses and work. If you're claiming Universal Credit, you can apply for one of these free courses, if it will improve your chances of getting work. Many Universal Credit claimants can take full-time training for up to 16 weeks and continue to claim benefit. Your local Jobcentre Plus can offer guidance about this and help identify the learning that works for you. If you're not eligible for a free course, Advanced Learner Loans are available to help you cover the costs of learning opportunities and how the government is supporting you to gain skills for life, whatever stage of your career you're at. Training providers can view the full list of qualifications offer' section. Information is available for employers about training and employment schemes.
