(Of course, in such a case, it would then be obvious how everyone voted.) Anonymous is commonly used in the context of news reports with unnamed sources. The group’s name refers to the fact that members’ identities are unknown both to the public and other members, who rarely use their real names. Less commonly, anonymous can be used in situations in which no name is acknowledged, such as with the authorship of a book, as in The popular book was written by an anonymous author. A more figurative sense of anonymous is used to describe something lacking any unique character, as in We live in some anonymous suburb. 2022Anonymous means that a person’s name or identity has not been revealed or given or has been withheld, as in an anonymous donor or an anonymous tip or Survey respondents will remain anonymous. Example: My source insists on remaining anonymous—they fear they would be punished for providing information if they were to be identified. There are many reasons why a person might want to be anonymous. It’s also used in the context of voting and online activity.
