His father, a severe man and a loyal judge to the government, then he falls under the pressure of his conscience and commit suicide. Amadeu, who is now an accomplished and dear doctor, saves the life of Méndez, the "Carnicero de Lisboa" and the head of the secret police. In the public eye, Amadeu's actions mark him as a traitor, which makes him rejected and secretly joined the resistance to relieve his conscience. After his premature death due to an aneurysm, the notes and entries of Amadeu magazine are edited and published by his sister Adriana. She owes her life to Amadeu and religiously dedicates her energy to preserving her brother's legacy. During his stay in Lisbon, Raimund meets the Ophthalmologist Mariana E Ása. She prescribes new glasses when he breaks the old in an accident. Mariana's uncle, Jo Á f or E Ása, was a member of the resistance. Raimund visits him several times to talk about Amadeu. Raimund also manages to locate Jorge O'Kelly, a pharmacy owner and Amadeu's best friend who helped him join the resistance, and Estef c Nia Espinhosa, a woman with an exceptional memory of which both men were in love, even though she was Jorge's girlfriend at that time. She later fled the country and became a professor of history at the University of Salamanca. The dictatorship lasted until 1974 and depended largely on a brutal police force, he asked. Salazar died in 1970, two years after giving power to Marcello Caetano, who continued his policies until 1974, when the Clamation Revolution overthrew the regime. History ends with Raimund returning to Bern. Raimund, who has been suffering spells of dizziness for a while, undergoes a physical examination. Mercier uses various activities and sub -themes to help explore these deep and self -reflexive issues, including "nocturnal, insomnia and dream proposal of life." With this introspective approach, Mercier is able to review concepts of "who we are, how we control our life experience and fringe is that construction." [3] Style as the representation of the city of Lisbon as mysterious and intricate, the text of the night train to Lisbon is intricate and complicated, sometimes hiding information from the reader. [2] [4] Several reviewers also seized the most exciting qualities that the novel has despite the philosophical approach of the themes. [3] [4] Chryic reception Anne Phillips in The News-Gazette Seé that the night train to Lisbon was "reminiscent of the shadow of the wind of Carlos Ruiz Zafón" and commented that "mystery romance and polytic intrigue" kept the páginas turning. [5] Robert Moyle of the Herald Sun also know how attractive the night train is Lisbon, with the fact that it is for the reader to identify with Gregorius. [3] Daniel Johnson of The Telegraph put Mercier, with this novel, among the best living European novelists. [4] Translations The writer Iraná Mahshid Mirmozzi translated the book to Persia, with his publication in April 2013. [6] I will not recognize several international copyright agreements, but Mirmozzi received the author's permission before translating it . [7] She won the Parvin Prize for her translation.
