'We use your sentence completion worksheets in my class to help students prepare for the SAT. Repeated practice really helps my students grasp how they work." Daniel A., Austin, TX, 02/07/12 Like these materials? Show your support by liking us on Facebook Call us craz	
completions are just plain fun. What's more, they are a great way to expand your vocabulary and improve your skills in logic. This is because sentence completions, like many of the standardized test style questions on this site (analogies, antonyms, reading comprehension, etc.) should look like, but you still need to rearrange the pieces until you can realize that picture. Scroll down to view our complete list of sentence completion worksheets appropriate for all ages and ability levels. In the printable sentence completion worksheets below, students mu	
in sentences. Some sentences contain a single blank, while others contain two. These worksheets are very effective in improving vocabulary, syntax, and ones understanding of conjunctions as syntactical "road signs". Finally, please remember that this is copyrighted work to be
