students in handwriting. To work at, especially as a profession. More Verb Definitions (11) A habitual or customary action for the purpose of learning or acquiring proficiency. A session of engaging in such action. A session of preparation or performance undertaken to acquire or polish a skill. Goes to piano practice weekly; scheduled a soccer practice for Saturday. The skill so learned or perfected. More Noun Definitions (16) Englishedit Etymologyedit The noun is from Middle English practice, practique, practiqu Middle English practice, practise, practise, practise, practise, practise, practiser, alteration of practiquer, from Medieval Latin prcticus, from Ancient Greek (praktiks).[2][3]The spelling practice is attested once in Middle English for both the noun and the verb.[1][4] The noun began to be assimilated in spelling to nouns in -ice;[5] practise (noun) is now obsolete. Pronunciationedit IPA(key): /pkts/Rhymes: -ktsNounedit practice (usually uncountable, plural practice) Repetition of an activity to improve a skill. Synonyms: rehearsal, drill, dry run, exercise, training, trial, workoutHe will need lots of practice with the lines before he performs them. An organized event for the purpose of performing such repetition. Being on a team is hard: you're always having to go to practice every Sunday after church. (uncountable, especially medicine, art) The ongoing pursuit of a craft or profession, particularly in medicine or the fine arts. 2016, Raphael Vella, Artist-Teachers in Context: International Dialogues, Springer, ISBN, page 53:Which is the most demanding? I think that my practice as an artist is 'stronger' because it is the practice and creative arts therapist.(countable) A place where a professional service is provided, such as a general practice. Synonym: general practice. Synonym: general practice. Synonym: general practice of employees there to wear neckties only when meeting with customers. It is good practice to check each door and window before leaving 1954 August, J. B. Snell, The New Zealand locomotive design is a curious blend of English and American practice; certainly the American influence has always been much stronger than in Australia. Actual operation or experiment, in contrast to theory. Antonym: theory and carrying on suits and prosecutions through their various stages, according to the principles of law and the rules laid down by the courts. This firm of solicitors is involved in family law practice. Skilful or artful management; dexterity in contrivance or the use of means; stratagem; artifice. (mathematics) An easy and concise method of applying the rules of arithmetic to questions which occur in trade and business. Usage notesedit British, Australian, and New Zealand English spelling distinguishes between practice (noun) and practice (verb), analogously with advice/advise. In American English, the spelling practice is commonly used for both noun and verb. Both practices are found equally in Canadian English. But its even more important when youre writing to specific audiences that vary depending on the region, like the US vs. the UK. Some examples are the words practice and practise is a matter of British versus American English. In British English, practice is the verb form, while practice is the noun form. British English practice is used for both the noun and verb forms. I know, just pick a lane, right? Heres some more insight. As I just mentioned, practice with an S is the verb form in British English, and practice with a C is the verb form in American English. Therefore, if youre writing for Americans, you should use practising my football moves. Americans, you should use practicing my soccer moves. Again, for American English, the correct spelling of the noun and verb form is practice, and the verb form is practice, and the verb form is practice, and the verb form is practice. But in British English, the noun form is practice, and the verb form is practice. rules are used more up here. When dealing with American English, practice is both a noun, it describes an activity over and over or to carry out a specific activity or exercise. I need to practice my soccer moves. I have to practice the cello for the band this weekend. But with British English, practice is supposed to be used as a verb. For Americans, lawyers practice law, but in British English uses practice l practise if youre writing in or for the UK because thats their verb form. But practice can be used for both the noun and the verb and would be accepted pretty much in any context. Exercise DrillTrainingRehearsalRoutineHabituationRepetitionSkill-buildingEd practices his guitar playing for two hours every day and plays regular shows at the pubs on weekends. Mary practices her yoga routine in the park every Sunday afternoon. All the doctors at the hospital in Greenwich practice writing every day. I cant go to the mall because I have football
