is performed. The ā^{~~~~~} can be as large as a park, auditorium, country, or continent, or as small as a table, container, bucket or plate. Ang Kawali Ay Pinaglutan Ni Ate Flor NG ADOBONG MANOK. The subject is the Kawali and the Pinaglutan action was performed in the Kawali. The Adobong Manok was cooked in the Kawali. The focus of the verb Pinaglutan is a local focus (Pokus SA Ganapan O Lokatib). 4.Ā Pokus SA TagatangAp O Benepaktib (beneficial approach). Ā The subject benefits from the action expressed by the verb. Si Nanay Ay iPinagluto Ni Ate Flor NG ADOBONG MANOK. The subject is Nanay and the action, Ipinagluto, benefits her. Ipinagluto means ā ~ ĀCooked for”. Ate Flor cooked the Chicken for for The approach of the verb ipinagluto is beneficial approach (pokus sa tagatanggap or benepaktib). 5.Ā Pokus sa Gamit or Instrumental (Instrumental Approach).Ā The subject is used as an instrument to perform the action expressed by the verb. Ang sandok ay ipinangkuha ni Ate Flor ng adobong manok sa kawali. The subject is the sandok and the action ipinangkuha means that the subject was used to perform the action to get the adobong manok.Ā Ginamit ang sandok for makuha ang adobong manok.Ā The approach of the verb ipinangkuha is instrumental approach (pokus sa gamit o instrumental)usatib (In instrumental). Causative approach); The subject is the cause of the action expressed by the verb. Ang pagluto neither Ate Flor ay ikinasaya nor Nanay. The subject is pagluto (the act of cooking) and the ikinasaya action means that the subject was the cause of Nanay becoming happy or masaya. Ikinasaya means “caused to be happy.” Nanay was glad because he ate the floor (for her). The approach of the verb ikinasaya is causative approach (pokus sa sanhi) or kusatib). Note that in all of the above example sentences the subject is mentioned first before the predicate (di-karaniwang ayos ng pangungusap).In Filipino, the predicate usually precedes the subject (karaniwang ayos ng pangungusap).Therefore, correct identification of the subject is important to determine the focus of the verb. You can print and distribute these worksheets to your children or students, but you cannot do so for profit.Ā These worksheets are appropriate for sixth grade students.Ā The second page of each file is the answer key. Pokus ng Pandiwa_1 Pokus ng Pandiwa_2 PAHABOL: There is another type of verb approach that I did not mention here.It is the directional approach.Ā For more information on the approach of verbs, you can visit the website of the Center for Southeast Asian Studies at the University of South East Asia.
