Couldnt find what you were looking for?More similar cars available from multiple brandsWrite a detailed review and you can win Amazon voucher worth Rs. 2,000(29 Ratings) 28 ReviewsIt looks amazing and I love it to drive. it's maintenance is very low . I suggest this company should work again here in India. This time the service is not available easily so servicing problem should be solved as early as possible.Rating Parameters(Out of 5)Driven ForDid a short drive once0Nice Car because I have been using it for first time and I want this product and I want to buy latest model of this Car it is very much good for you want to buy latest model and I have bought it for in place of my XUV 500.Rating Parameters(Out of 5)Driven ForIts my mate since ages21It was way back in July 2014 where the average monthly sales of this car was 10000 and ford has tasted sucess with this car. Even for a test drive also we had to wait for a week. But the sales guy from 11 Ford guwahati was really kind enough to us to give a test drive for 4-5 times before purchasing. And moreover the wait time during that time was 6 months but we booked on June and the sales guy promised to deliver the car within 1st week of July. Kudos to TI Ford the delivery was very smooth and so the car is. The body of the ecosport feels so heavy and strong that it takes a jiff on body to open/close the door. The ride and handling is as smooth as silk and the mid range of the 3rd -4th gear of the car is so puncky that it keeps pulling all the way to 4k-5k rpm and you can feel the tubro thats kicking the engine. During that time it was considered as the sexiest SUV in India every one wants to have it parked on their garage. And the USP of the look was the boot lid of the car. Too good..... Now after 4 years and 5 months and running of 60k+ kms it the driving feels the same as the car is being driven form the showroom. The maintenance till now i have spend is around ?25000. Now some of the cons of the car is the plastic quality materials inside the cabin feels very cheap and also the plastic quality of the boot is also very quality. And I think at 2013 also when it was launched the titanium version should have equipped with a rear view camera. And the most important cons of the car is the headlight lacks to provide illumination at night in highway driving. Ford 2013-2015 models were equipped with very low beam headlights. But overall I feel really happy when i drive my ecosport.Rating Parameters(Out of 5)Driven ForIts my mate since ages32 English EcoSport 2015-2021 1.5 Ti VCT MT Titanium BSIVCurrently ViewingRs.8,74,800*EMI: Rs.18,75915.85 kmplManualCurrently ViewingRs.6,68,800*EMI: Rs.14,402Currently ViewingRs.7,40,900*EMI: Rs.15,920Currently ViewingRs.7,91,000*EMI: Rs.16,987Currently ViewingRs.7,99,000*EMI: Rs.17,154Currently ViewingRs.8,58,000*EMI: Rs.18,273Currently ViewingRs.8,58,501*EMI: Rs.18,285Currently ViewingRs.8,64,000*EMI: Rs.18,527Currently ViewingRs.8,71,000*EMI: Rs.18,670Currently ViewingRs.8,74,000*EMI: Rs.18,740Currently ViewingRs.9,26,194*EMI: Rs.19,835Currently ViewingRs.9,50,000*EMI: Rs.20,329Currently ViewingRs.9,63,000*EMI: Rs.20,473Currently ViewingRs.9,63,301*EMI: Rs.20,480Currently ViewingRs.9,76,900*EMI: Rs.20,895Currently ViewingRs.9,79,000*EMI: Rs.20,944Currently ViewingRs.9,79,000*EMI: Rs.20,944Currently ViewingRs.9,79,799*EMI: Rs.20,963Currently ViewingRs.10,16,894*EMI: Rs.22,522Currently ViewingRs.10,39,000*EMI: Rs.22,875Currently ViewingRs.10,40,000*EMI: Rs.23,019Currently ViewingRs.10,40,000*EMI: Rs.23,019Currently ViewingRs.10,41,500*EMI: Rs.23,055Currently ViewingRs.10,68,000*EMI: Rs.23,635Currently ViewingRs.10,68,000*EMI: Rs.23,635Currently ViewingRs.10,95,000*EMI: Rs.24,083Currently ViewingRs.10,99,000*EMI: Rs.24,302Currently ViewingRs.11,19,000*EMI: Rs.24,745Currently ViewingRs.11,30,000*EMI: Rs.24,990 Currently ViewingRs.7,28,800*EMI: Rs.15,907Currently ViewingRs.7,50,000*EMI: Rs.16,369Currently ViewingRs.8,00,900*EMI: Rs.17,452Currently ViewingRs.8,41,000*EMI: Rs.18,321Currently ViewingRs.8,69,000*EMI: Rs.18,923Currently ViewingRs.8,88,000*EMI: Rs.19,312Currently ViewingRs.8,88,500*EMI: Rs.19,324Currently ViewingRs.9,14,000*EMI: Rs.19,888Currently ViewingRs.9,21,000*EMI: Rs.20,033Currently ViewingRs.9,34,000*EMI: Rs.20,300Currently ViewingRs.9,34,800*EMI: Rs.20,319Currently ViewingRs.9,56,800*EMI: Rs.20,800Currently ViewingRs.9,71,894*EMI: Rs.21,116Currently ViewingRs.9,93,000*EMI: Rs.21,576Currently ViewingRs.9,93,301*EMI: Rs.21,583Currently ViewingRs.9,99,000*EMI: Rs.21,697Currently ViewingRs.9,99,900*EMI: Rs.21,719Currently ViewingRs.10,69,000*EMI: Rs.24,161Currently ViewingRs.10,90,000*EMI: Rs.24,639Currently ViewingRs.10,90,000*EMI: Rs.24,639Currently ViewingRs.11,00,400*EMI: Rs.24,854Currently ViewingRs.11,18,000*EMI: Rs.25,248Currently ViewingRs.11,18,000*EMI: Rs.25,248Currently ViewingRs.11,45,000*EMI: Rs.25,854Currently ViewingRs.11,49,000*EMI: Rs.25,953 Currently ViewingRs.6,75,000*EMI: Rs.14,547Currently ViewingRs.7,70,800*EMI: Rs.16,557Currently ViewingRs.8,70,400*EMI: Rs.18,656Currently ViewingRs.9,14,100*EMI: Rs.19,457Currently ViewingRs.9,70,400*EMI: Rs.20,646Currently ViewingRs.9,72,800*EMI: Rs.20,820 Currently ViewingRs.7,88,700*EMI: Rs.17,204Currently ViewingRs.8,60,800*EMI: Rs.18,750Currently ViewingRs.9,60,400*EMI: Rs.20,864Currently ViewingRs.10,20,400*EMI: Rs.23,083 Copyright. That hardly matters in today's urban SUV world and the EcoSport comes across as the sort of small hatchback that many people actually want. A bit of attitude, versatile, and easy to handle around town. Engines include a five-speed manual-only 92kW/170Nm three-cylinder 1.0-litre and an 82kW/140Nm 1.5-litre four-cylinder offering the six-speed PowerShift dual-clutch auto as an option. Quite roomy, refined and capable on bitumen or dirt, it is a classic, contemporary micro SUV.NSW Probationary StatusFuel cost per 1000km * The information on this page including estimated valuation range has been prepared bycarsales.com.auPty Ltd (carsales), not the dealer, based on data and information gathered from a variety of sources, such as carsales delisted price data for similar cars advertised on the carsales Network, seller indicated selling price from carsales' exit market surveys, and/or price data from Automotive Data Services Pty Ltd (Redbook). The estimated valuation range may change over time to reflect updated market conditions. The estimated valuation range takes into account your car make, model, year and odometer reading but does not account for other factors such as condition, colour, options and location.
