Enter Your CA No

Once you land on the duplicate bill page, enter your CA No (Customer Account Number) in the provided field. The CA No is a unique identification number for your BSES account, and it can be found on any of your previous electricity bills.

Submit and Download

After entering your CA No, click on the "Submit" button. The system will retrieve your current bill, which you can then download in PDF format.

Check Your Email (Optional)

For convenience, BSES also offers the option to receive your duplicate bill directly via email. You can opt for this service during the bill download process by entering your registered email ID.

Convenience

You can access your BSES bill 24/7 without needing to visit any office or wait for the bill to arrive via mail.

Eco-Friendly

By choosing to download your bill instead of receiving a paper copy, you contribute to reducing paper waste and protecting the environment.

Quick Payments

After downloading your bill, you can immediately proceed with the payment online, ensuring you never face late fees.

While downloading a duplicate bill from BSES is generally hassle-free, some users have reported encountering certain issues. Below are a few common problems and their solutions:

Incorrect CA No: Ensure that you are entering the correct CA No. Even a small mistake can result in an error.

Website Downtime: Sometimes, the BSES website may undergo maintenance. If you're unable to access the site, wait for a few hours and try again.

Technical Issues: If you experience technical difficulties such as slow loading or error messages, try clearing your browser's cache or using a different web browser.

The full form of BSES is Bombay Suburban electric supply. BSES supplies electricity to the residents of Delhi. This is not a government-owned company. Three private companies supply electricity to the people staying in Delhi. The first one is BSES Rajdhani Power Ltd, the second one is BSES Yamuna Power Ltd and the last one is Tata Power Delhi Distribution Ltd. BSES Rajdhani Power, BSES Yamuna Power and Tata Power are three different companies. The biggest difference between these three companies is that BSES Rajdhani Power Ltd is to the south Delhi and western parts of Delhi. The BSES Yamuna power supplies electricity to the eastern parts of Delhi and central Delhi. On the other hand, electricity is supplied to the northern part of Delhi by Tata Power. Delhi receives electricity from these three companies. When you download the electricity bills from these three companies online you get an OTP to aim your registered mobile number. But if I case you do not have that registered number, you can still download a duplicate bill. We have mentioned the easiest ways to download the electricity bills that too without any OTP. If you are someone who stays in Delhi and you want to download the electricity bill online from the comfort of your home then all you have to do is just follow all the steps given above and you will be able to download your electricity bill in just a few minutes!

Managing your electricity bill can be tricky at times, especially when you misplace it or need a duplicate copy for records or payment purposes. If you are a BSES Rajdhani customer and find yourself in such a situation, don't worry. BSES Rajdhani Power Limited (BRPL) offers an easy way to download a duplicate electricity bill online. This guide will walk you through the entire process, ensuring a smooth experience.

There are several reasons why a duplicate bill might be necessary:

- Misplaced Bill:** You may have lost your physical bill and need a copy to make the payment.
- Record Keeping:** You might want to maintain an online record for personal or accounting purposes.
- Payment Delays:** Sometimes, delays in receiving the bill via post might necessitate downloading it online for timely payment.

With these scenarios in mind, let's explore the process of downloading your duplicate bill online.

Visit the BSES Rajdhani Website

Start by going to the official BSES Rajdhani Power Limited website. This is the primary portal for all customer services related to your electricity account.

Navigate to the "Quick Pay/Download Duplicate Bill" Section

Once you are on the homepage, locate the section titled "Quick Pay/Download Duplicate Bill." This feature allows you to not only pay your bill but also to download a duplicate copy for your records.

Enter Your CA Number

To access your account, you'll need your Consumer Account (CA) number, which is a unique 9-digit number assigned to every customer. You can find this number on any previous bill. Enter the CA number in the designated field.

Generate and View Your Bill

After entering your CA number, click on the "Submit" or "View Bill" button. The portal will generate your latest bill, and you will have the option to download it as a PDF file.

Download and Save the Bill

Once the bill appears on the screen, look for the "Download" or "Print" option. Click to download the bill, and save it to your computer or smartphone for future reference. You can print it if needed.
