SFA's Greg Arnold Center for Entrepreneurship is getting a new home on Raguet Street between Hayter and East College. The University of Texas System Board of Regents approved the \$40 million project, which is slated to begin construction July 2025 with anticipated completion February 2027. The two-story, 39,170-square-foot building will offer immersive and flexible spaces tailored to modern entrepreneurial education, including simulated learning environments, dedicated coworking spaces and innovation labs. Read more about this upcoming project. A heaping serving of SFA's dining history — and a look into the construction progress of the new Pineywoods Dining Hall (\*psst\* a purple pizza oven!) — is ready for you to enjoy in the latest issue of Sawdust Magazine. We're proud to welcome a fourth partner — Kilgore College — to the recently launched Lumberjack Transfer Alliance. Because of this alliance, Kilgore College students who are ready to transfer to a four-year university will benefit from guaranteed admission, scholarships and enhanced services at SFA. \$1 millionstock portfoliomanaged bybusiness students. Graduate program optionsOur master's and doctoral programs. are designed to help you reach your career goals. Explore our graduate program offerings now. We also have several online graduate program at SFA, you must meet one of the following requirements: Be in your final year of undergraduate work; Hold a bachelor's degree from a regionally accredited college or university; or Have 95 or more semester hours of undergraduate studies at the same time). Generally, all applicants must have an overall undergraduate grade point average of 2.5 on a 4.0 scale. Minimum GPA requirements vary depending on your academic major. Visit your major department's website to check its admission requirements. Depending on the graduate program you're pursuing, you may be requirements. Depending on the graduate program you're pursuing, you may be requirements. Test is a multiple-choice exam designed to measure verbal, analytical and quantitative skills. There also are GRE Subject Tests in 17 fields of study. The GMAT measures prospective students' likelihood of success in graduate management programs. Letters of recommendation and/or essays may be needed, depending on your academic major. Visit your major department's website to check its admission requirements. SFA offers three types of graduate admission. This admission status allows students to work toward a graduate degree. Generally, if you have an undergraduate grade point average (GPA) of 2.5 on a 4.0 scale and a 2.8 on the last 60 hours of undergraduate work, you are a candidate for clear admission. You'll also need recommendations from the department you're interested in and the appropriate academic dean. This admission status allows you to work toward a graduate degree, but you must earn a B average on coursework in your first twelve semester credit hours of study (or the number of hours set by the graduate advisor). Probationary students who do not meet that objective will be placed on academic department and the appropriate academic dean. Probationary admitted students aren't eligible for financial aid. This status allows students who already hold a bachelor's or master's degree to take graduate degree program, professional development or personal enrichment. The Overlap Program allows qualified undergraduate SFA students to pursue a limited amount of graduate study concurrently with undergraduate study. Maximum of 12 credit hours of undergraduate work at SFA and be currently enrolled.95-110 undergraduate semester hours: You also must have an overall and upper-level 3.0 GPA.110 or more undergraduate semester hours: You also must have an overall 2.5 GPA and an upper-level 2.8 GPA.Graduate assistantshipsGraduate courses taken in the program aren't applicable toward your undergraduate degree and you're ineligible for a graduate assistantship while in the overlap program. Students enrolled in the five-year BBA/MPAc program are eligible for a graduate coursework. Applying to the Overlap Program be admitted to the Overlap Program, you should: complete an overlap application and obtain the approval of the graduate program advisor in the major department, appropriate academic dean, and dean of the Office of Research and Graduate admission when the undergraduate degree is completed. Apply now for summer 2025 or fall 2025 enrollment. Application process. Tip: If you are applying for a program that requires an application essay, write it ahead of time — that way, you can simply copy and paste your final draft into the online application. Post-baccalaureate students may apply a maximum of six credit hours — earned with grades of B or better — to a non-thesis program. There is an exception: ALL hours earned in an SFA certificate program can be considered for transfer into a graduate degree program. To transfer credits from other institutions, you'll need to submit an official transcript of the appropriate academic department and academic dean. Decision letters are typically sent out within 1-3 weeks. Once you apply, you'll get your own mySFA account within one week. mySFA is the official communication method of the university, so it's important that you log on and set up your account. If you are not accepted and wish to appeal the decision, you will need to submit a written appeal to the university's Graduate Council through the dean of the Graduate School mySFA is the official communication method of the university. Log on and set up your mySFA account right away to check on financial aid offers, housing assignments and class registration. Submit immunization records required by the stateIn accordance with state law, students who plan to live on campus or take face-to-face classes must have a bacterial meningitis vaccine. Submit your meningitis shot records as soon as possible - it's required to secure housing. Apply for housing on-campus housing. There are perks to applying early.
