Softonic reviewEA SPORTS Cricket is one of the most popular cricket simulation games on Windows games. It was first released in 2006 and has received multiple version upgrades over the years. The game has been developed by HB Studios under the EA Games label. The game comes with excellent graphics, easy-to-use controls, and a thrilling gameplay experience. With multiple tournaments, players, and championships, the game keeps you occupied for hours. Compared to Brian Lara International Cricket, Cricket 19, and International Cricket Captain, this one has more customization options.While playing EA Cricket, you can customize the in-game experience. For instance, players have the option to choose from numerous matches, venues, weather conditions, players, and other settings. In addition to this, the sports game also lets you customize keyboard mapping and gameplay mechanics, allowing you to tailor the skills to your own preference. If you're a cricket fan, give EA SPORTS Cricket a try!Another exciting and fun game from EA GamesEA SPORTS Cricket has always been a popular Windows game. With excellent graphics, multiple player choices, and engaging music, the game makes you feel like being a part of an actual match. EA Games is one of the biggest names in the video games industry, and this installment from the company meets the expectations of fans around the world.While playing this game, you can choose from a range of national teams, such as India, New Zealand, Sri Lanka, Australia, etc. Since the game offers multiple modes, you can choose one that best suits you, the number of players, type of tournament, and experience. With hassle-free game mechanics, you can easily indulge in a fast-paced, high-scoring match.Does the game offer good graphics?EA Cricket comes with realistic 3D graphics, giving you a real-life-like experience of the popular sport. The on-screen elements are detailed, and the proportions of players look life-size. Additionally, the game's animations simulate real-life matches very well.While playing EA Games Cricket, every aspect of the game keeps you engaged in the gameplay. For instance, you can listen to voiceovers and commentary from professional players, which gives the game an authentic vibe. This is where EA SPORTS Cricket truly wins over the competition.If you've ever played other sports games on your Windows PCs, you must have noticed the odd representation of player personas. It's quite difficult to find a game that accurately gives an impression of being in an actual match. On the other hand, EA SPORTS Cricket focuses on fluidity in movements. As such, everything on the screen can be enjoyed in a playful spirit. You'll even love the commentary and announcements between breaks.What is the range of tournaments?In this popular Windows game, you can play a range of tournaments. Each one comes with a different set of terms, conditions, and rules. For instance, the World Championship allows you to choose from 16 different national teams, and you can play a long tournament to win the World Cup. In addition to this, players can participate in the Test Series, the World Series, the Knockout Cup, and other tournaments. You can also take a team on tours to different nations across the globe.While the game is an old-time classic installment, EA SPORTS Cricket has a virtually unlimited collection of licensed teams and players. Once you download the latest version on your PC, you can choose players from India, Australia, the Americas, New Zealand, South Africa, and more. EA SPORTS Cricket has players from the largest cricket-playing nations around the globe.How's the gameplay?When it comes to gameplay, both beginners and professionals can enjoy the controls without much worry. EA Cricket doesn't manipulate the actual rules and scoring system, and thus, allows you to engage in familiar regulations. Since controls are responsive and don't feel complicated, you can instantly start enjoying fast-paced cricket matches. Within just a few tries, EA SPORTS Cricket lets you hit the cricket ball across the stadium. You can send it flying to the stands and participate in numerous high-scoring matches. EA Cricket offers a perspective similar to live TV matches, which keeps you engaged in the game for hours in one go. You can also participate in matches as part of the audience, soaking in views of the entire stadium, players, and characters.While playing this sports game, you can use a wide-angle point of view, which lets you time and control movements in a much better manner. Apart from this, you can review statistics to gather information about how you performed throughout the match. Compared to other similar games, EA SPORTS Cricket is more fun, engaging, and exciting choice. Just download, install, and enjoy hours of fun and entertainment.An excellent sports game for WindowsEA SPORTS Cricket has been a leading sports game for Windows PCs, and has a solid fan following across the globe. When it comes to cricket for Windows, the game offers an unparalleled experience with thrilling gameplay options, excellent graphics, engaging background score, and multiple tournaments. While playing the game, it feels like you're participating in an actual cricket match.If you've been a fan of cricket, this game is an excellent choice. Apart from the gameplay experience, it's an opportunity to learn more about the sport, including regulations, rules, player interactions, etc. The game comes with a huge roster of players from Australia, New Zealand, India, and more. In case you would like to watch real-life cricket matches, we recommend you to try PTV Sports Live for Android. Even after reading this article if you have any questions or queries related to the Real Cricket 22 Release Date then feel free to ask it by commenting below. We will try to answer all your questions and queries as soon as possible. Official Website Click Here DMER Homepage Click Here 2021 video game 2021 video gameCricket 22The Australian cover art featuring Meg Lanning and Pat CumminsDeveloper(s)Big Ant StudiosPublisher(s)NaconPlatform(s)Microsoft WindowsPlayStation 4PlayStation 5Xbox OneXbox Series X/SNintendo SwitchReleaseWindows, PS4, PS5, Xbox One, Xbox Series X/SWW: 2 December 2021Nintendo SwitchWW: 28 April 2022Genre(s)Sports gameMode(s)Single-player, Multiplayer Cricket 22 is a 2021 cricket video game developed by Big Ant Studios and published by Nacon.[1] It is the official video game of the 2021-22 Ashes series of cricket matches, and the sequel to the 2019 game Cricket 19. It released on the 2 December 2021 as a curtain-raiser prior to the start of the 2021-22 Ashes series which were held in Australia in December 2021. The Nintendo Switch version of the game was expected to be released in January 2022 and was later confirmed for 28 April 2022.[2][3][4] This is the second Big Ant Studios game to be released for the PlayStation 5 and Xbox Series X/S, the first being Tennis World Tour 2. Gameplay Cricket 22 introduces a revamped bowling and fielding controls utilizing an arcade style of gameplay with the new after-touch system that allows the player to control the ball's direction after it is bowled. A new "Direct-Hit" system was also implemented for fielding where adding in a cinematic angle to catches and having control over the speed of the ball when thrown to the stumps.[5] It also features a new tutorial system as well for newcomers.[6] Big Ant unveiled Nets Challenge facility for the users as part of the pre-ordering plans which went into full swing from late October 2021.[7] For the first time ever in the series an all-female commentary team for all women's cricket matches was introduced with a bid to ensure gender equality. Furthermore, a new commentary team was introduced with the likes of Michael Atherton, David Gower, Mel Jones, Alison Mitchell and Ian Healy for the video game.[8] Licensing The game features the inclusion of both men's and women's editions of the Big Bash league for the very first time. In addition, the game also introduced newcomers Caribbean Premier League and The Hundred. The licensing of the game has also been extended and expanded to other geographical territories including New Zealand, West Indies and Ireland in addition to Australia and England as real names and real images of the players of respective countries can be used.[9] The video game cover featured Australian women's cricket captain Meg Lanning and men's captain Pat Cummins who replaced his predecessor Tim Paine who was initially set to appear before resigning the captaincy over a sexting scandal, which caused the game to be delayed by a week.[10] In the UK, Joe Root and Heather Knight feature on the video game cover. Anti-piracy measures The title has received media coverage for measures designed to "annoy" players of pirated versions of the game into purchasing it legitimately. Big Ant Studios CEO Ross Symons stated that the implementation of the measures, which include turning the screen white during gameplay, had seen sales of the game on Steam go up by 300%.[11] References ^ "Villani and Vlaeminck level up in new cricket video game". cricket.com.au.
