Whether you're traveling on business or leisure, getting to and from the airport is easy and stress-free with these convenient options. Parking Options at Florence Regional Airport Florence Regional Airport offers both short-term and long-term parking options for travelers. The short-term parking lot is conveniently located directly in front of the terminal and is meant for those needing to park for a few hours. The long-term parking lot is located a short distance away from the terminal, but a free shuttle service is available to transport passengers to and from the lot. This lot is ideal for those traveling for an extended period of time. The daily rate for short-term parking is \$9 per day, while the long-term parking rate is \$7 per day. However, there is also an economy parking lot available for those looking to save money on parking fees. The economy lot is located farther away from the terminal but still offers free shuttle service. The economy lot has a flat rate of \$5 per day, making it a great option for those going on longer trips. Overall, Florence Regional Airport offers a variety of parking options at affordable rates for all types of travelers. Check-In Procedures At Florence Regional Airport, passengers have three options for checking in: online, self-service, and traditional methods. Online check-in is available through the airline's website or mobile app, typically beginning 24 hours prior to departure. Passengers can select their seat, pay for any additional baggage fees, and receive a digital boarding pass to present at the security checkpoint. Self-service kiosks are also available inside the terminal, allowing passengers to check-in, select their seat, print their boarding pass, and check any bags they may have. This option is ideal for those who prefer not to use their mobile devices or need assistance with the process. For those who prefer a more traditional check-in experience, there are also airline check-in counters staffed by agents who can assist with any questions or issues. These counters typically open two hours prior to departure and close 30 minutes before takeoff. Regardless of the check-in method chosen, all passengers are required to have a government-issued photo ID and their boarding pass to proceed through security and board their flight. It's recommended that passengers arrive at the airport at least 90 minutes prior to their scheduled departure time to allow for adequate time to complete the check-in process and make their way through security. Security Measures at Florence Regional Airport At Florence Regional Airport, security is a top priority for passengers and staff. All travelers are required to go through a thorough screening process before entering the boarding area. To ensure a smooth and hassle-free security check, it's important to arrive at the airport early, have your ID and boarding pass ready, and remove any electronic devices or liquids from your carry-on baggage. Additionally, be aware of any prohibited items such as sharp objects, firearms, and explosive materials, which may result in delays or confiscation. Remember that the safety of all passengers and crew members is of utmost importance, and we appreciate your cooperation in following all security procedures. Customs and Immigration Process at Florence Regional Airport For arriving passengers, international flights are first directed to a designated gate where passengers disembark and proceed to a passport control area. Passengers are required to present their passport, visa (if applicable), and any other necessary travel documents. After passport control, passengers collect their luggage and proceed to the customs area where their bags may be inspected. If there are no items to declare, passengers can simply exit the terminal and continue on with their journey. Departing passengers must check in for their flight at the airline counter before proceeding to the security checkpoint. Passengers are then required to go through security screening, which includes removing shoes, belts, and any items from pockets. After security, passengers proceed directly to their boarding gate, where they await boarding announcements. It is important to arrive at the airport with enough time to complete these processes and make it to your gate before your flight departs. Connecting Flights at Florence Regional Airport Connecting flights at Florence Regional Airport can be a smooth and stress-free experience if you follow a few simple tips. First, make sure you have enough time between flights. Check your itinerary to see how much time you have, and factor in any potential delays or changes in flight schedules. If you are running late, notify the airline staff as soon as possible. When you arrive at Florence Regional Airport, follow the signs to your connecting flight. You may need to go through security again, so be prepared to remove your shoes, empty your pockets, and place your belongings in a bin for scanning. If you have a long layover, take advantage of the airport amenities, such as shops, restaurants, and lounges. Finally, keep your boarding pass and identification handy, and listen for any announcements about your flight. By following these tips, you can ensure a hassle-free experience when catching a connecting flight at Florence Regional Airport. Baggage Claim and Lost Property Upon arrival at Florence Regional Airport, passengers can proceed to the baggage claim area located near the main terminal building. Passengers are advised to check the display screens for their flight's baggage carousel number. If you are unable to locate your luggage, report the missing baggage to the airline representative at the baggage claim area. Passengers are required to provide a detailed description of the lost or damaged item. The airline representative will then provide you with a reference number and contact information to follow up on your missing luggage. In case of damaged luggage, passengers can file a claim with the airline representative. Also, passengers who find any lost items within the airport premises can turn them in at the lost property office located near the baggage claim area.
