A printable podcast planner template is displayed on a teal background. The planner is a white sheet of paper with a gold paperclip at the top center. The title 'Printable PODCAST PLANNER' is at the top in a large, white, serif font, with 'EDITABLE' in a smaller, white, sans-serif font below it. The planner is divided into several sections: 'NAME: virtual marketing in 2021 will look like', 'DATE RECORDED: 30th Jan 2020', 'GUEST: Anna Travel Influencer', 'DATE PUBLISHED: 27th Jan 2020', 'CONCEPT: Describe the assumptions / opinions people may have about marketing in 2021, virtual or travel influencers think 2021 will be like?', 'EPISODE # : # 21', and 'EPISODE LENGTH: 35 mins, cat'. Below these are three checklists: 'RECORDING CHECKLIST' (with items like 'Check intro and background', 'Intro 1st time', 'Topic 1: 10 mins, music', 'Topic 2: 10 mins, music', 'Topic 3: 10 mins, music', 'End with top 3 takeaways', 'Outro'), 'EDITING CHECKLIST' (with items like 'Trimmed outflow introduction', 'Add ads', 'Intros/outros', 'Add links', 'Add outro', 'Music', 'Transitions'), and 'PUBLISHING CHECKLIST' (with items like 'Reserved logo posting?', 'Uploads', 'Artwork', 'Add transcripts', 'Shortcodes', 'Social media posts', 'Marketing'). There are also sections for 'REFLECTIONS', 'INTRO', 'TOPIC 1', 'TOPIC 2', 'TOPIC 3', 'OUTRO', and 'NOTES'. The planner is shown with a red headset icon at the bottom right, suggesting it's for audio recording.

Introducing Florence

- Main history objectives:
 - Learn about the lives of significant individuals in the past who have contributed to national and international achievements
 - Explore and devise historically valid questions
 - Construct informed responses that involve thoughtful selection and organisation of relevant historical information
 - Understand how our knowledge of the past is constructed from a range of sources

[illegible]

MatchCard Science

Give the chemical symbol, atomic number, and electron configuration for the following elements:
sodium, chlorine, and aluminum.
