So after the movie we went there to eat and spend our evening. This place was awesome. Eat street menu is quite extensive. They have good food options, Mughlai, Chinese, pizza, chats and ice-cream too. We had good time eating and chatting. In evening we also took speed boat ride at the hussain sagar Lake. It was quite fun. "Good location" - Neelesh Samantray Rating: 4 stars What I like most about eat Street is its location. I and my husband often go there. Sometimes we go there for half an hour or so after movies at Prasad. It looks beautiful in nights, so just to sit and look at the lake. It is also next to Jalvihar and even snow world is nearby. Food at eat street is not great but its okay enough for munching like ice creams or chats. "Awesome place, badly maintained!" - Subhodhay Rating: 3 stars Eat street necklace road Hyderabad is located by the Hussain Sagar lake. Its location is breath-taking but the smell of lake ruins everything. The seating is also not good and food is okay. In fact all this I can bear for the awesome view of the lake and Buddha statue if this lake doesn't smell this foul! I could literally see papers, plastics and all kinds of garbage in the corner of the lake, just below the place where I was sitting. "Good sit out but lake really stinks!" - Shiva Alluri Rating: 3 stars Eat street is located on the necklace road. I had gone there when I visited Hyderabad on some work. This place is good, you watch the lake, and also go for boat rides. Eat street food court is also decent enough for lunch and snacking. I had gone in evening so could see the sunset. Awesome it was. The one bad thing was the smell. Lake is not clean. You can see garbage pieces floating. These restaurants are minting money because of the location. They should take charge of the lake and at least clean it. "Good for family outing" - Pavani Rating: 4 stars I often go there with kids. They like to play in the tiny playground at the eat street. Sometimes we just take the boat to Buddha statue which looks beautiful. The ticket price is not much. This place is quite affordable. Food is also decent. My kids mostly just eat pizza and ice-cream but you can have juices and other stuff too. Outside eat street, there are parks too. It's a perfect place to hang out and spend some time relaxing, but the only negative aspect is the stinky smell.. "Best place of youngsters" - Shivaram Murthy Rating: 5 stars Eat street food court has too many choices and a nice place to sit and chat. We go there usually after our college and sometimes even sit till late in night too. Eat street timings are from 8 pm to 10.30 pm, so without any worry you can sit and even have dinner there itself. Go for boating if you want. "Better to avoid" - Sagar Chandra Rating: 2 stars This place is not what it used to be. It is untidy. Chairs are half broken. Water of the Hussain Sagar Lake is dirty and stinks! Food court at the eat street is also not very good. The quality of food is just okay. Pizza and ice cream you can have but anything other than that was tasteless! I had gone there with lots of expectations and just came back disappointed. One can always find boys with their girlfriends and it has been couples favorite hangout place. Recently there is availability of boating facility managed by Eat Street authority with various speed boat, motor boats and normal boats. I wish I could visit it sometime near on weekend to provide pricing of it. And for children there is ample amount of play area with rides, slides, jumping frog and open play area open to all. Visiting this place you should take care of the parking facility as there is not much provision for easy parking. Eat Street Timings Eager to visit Eat Street, so make sure that you get on to here.
