Novakovic family practice

Family Practice Hours: Tips Hours January 2024 They said they accepted my insurance over the phone. Made an appointment, waited two weeks. When I got there they said that they don't accept my insurance. Who doesn't accept blue cross blue shield? February 2023 Went in for a bio screening which I told them over this phone spent 45 minutes in waiting room then told me I could not get it, that I needed a pre-exam before I could get my bio screening and would have to come back .waste of my time and then they kept my copay for up to 10 days before they could refund it February 2023 Dr. Novakovic is extremely knowledgable, professional, and friendly. Great doctor and very pleasant experience. I travel 45 minutes to see him but it is well worth it.
