Perhaps your PC does not meet the hardware requirements; Maybe you bought a game by mistake; Maybe you played the title for an hour and I didn't like it. It does not matter. Valve, upon request via help.steampowered.com, issues a refund for any reason, if the title was played for less than two hours. There are more details below, but even if you fall outside the reimbursement rules, it was described, you can ask for a refund anyway and we will look. You will be released a complete refund of your purchase within a week of approval. You will receive the refund in the steam portfolio funds or through the same payment method used to make the purchase. If, for any reason, Steam is unable to release a refund via the initial payment method, the Steam portfolio will be credited to the full amount. (Some payment methods available through Steam in your country may not support the refund of a purchase to the original payment method. Click here for a complete list.) The steam reimbursement offer, within two weeks of purchase and with less Two hours of play, apply to games and software applications on the steam store usable within another game or software application, "DLC") DLC purchased by the Store is refundable within fourteen days from the purchase, and if the underlying title was Reproduced for less than two hours from the DLC was purchased, provided that the DLC has not been consumed, modified or transferred. Please note that in some cases, steam will not be able to provide refunds for some third-party DLCs (for example, if the DLC levels irreversibly a game character). These exceptions will be clearly marked as not finished on the store page before buying. Reimbursements on in-game steam purchases within forty-eight purchase hours, as long as the in-game object has not been consumed, modified or transferred. Third-party developers will have the opportunity to enable refunds on the game element you are buying. Otherwise, in-game purchases in non-valve games are not refundable through steam. Refunds on pre-purchased titles when pre-purchase a title on Steam (and you paid for the title in advance), you can request a refund at any time before the release of that title. The standard repayment period of 14 days / two hours also applies, starting from the date of release of that title. The standard repayment period of 14 days / two hours also applies, starting from the date of release of that title. they were purchased on steam and if you haven't used any of those funds. Renewable subscriptions for some content and services, the steam offers periodic periodic access (eg monthly, annual) that is paid on a recurring basis. If a renewable subscription has not been used during the current billing cycle, you can request a refund within 48 hours of at any time going to the details of your account. Once canceled, your subscription will no longer be renewed automatically but will keep access to the current billing cycle. Steam hardware within the applicable time frame identified in the hardware reimbursement policy, you can request a refund for hardware and steam accessories purchased through Steam for any reason. It is necessary to ship the hardware to us within fourteen (14) days after requesting the refund, following the instructions we provide. Please consult the hardware reimbursement policy for detailed guidelines on the return and cancellation process for hardware and steam accessories. Refunds on package is less than two hours. If a package is less than two hours. If a package includes an In-Game or DLC object that is not game, lose the right to repay that game. Video content We are unable to offer reimbursements for video content (not video). Refunds on non-redemption gifts can be reimbursed within the standard 14-day / two-hour reimbursement period. Redemption gifts can be reimbursed under the same conditions if the recipient of the gift starts the refund. The funds used to purchase the gift will be returned to the original buyer. Steampowered.com. Last updated on November 10, 2020 Page 5 You can request a refund for almost all purchases on steam steam "for any reason. Perhaps your PC does not meet the hardware requirements; Maybe you bought a game by mistake; Maybe you played the title for an hour and I didn't like it. Do not Valve, upon request via help, steampowered, com, issues a refund for any reason, if the request is made within the required return period and, in the case of games, if the title was played for less than two hours. There are more details below, but even if you fall outside the reimbursement rules, it was described, you can ask for a refund anyway and we will look. You will be released a complete refund of your purchase within a week of approval. You will receive a refund in the steam portfolio funds or through the same payment method, the Steam portfolio will be credited to the full amount. (Some payment methods available through Steam in your country may not support the refund of a purchase to the original payment method. Click here for a complete list.) The steam reimbursement offer, within two weeks of purchase and with less Two hours of play, apply to games and software applications on the steam store. Here is an overview of how refunds work with other types of purchases. Reimbursements on downloadable content (content of the steam store usable within fourteen days from the purchase, and if the underlying title was Reproduced for less than two hours from the DLC was purchased, provided that the DLC has not been consumed, modified or transferred. Please note that in some cases, steam will not be able to provide refunds for some third-party DLCs (for example, if the DLC levels irreversibly a game character). These exceptions will be clearly marked as not finished on the store page before buying. Reimbursements on in-game steam purchases will offer reimbursement for in-game developed by the valve within forty-eight purchases will have the opportunity to enable refunds for ingame items on these terms. The steam will tell you at the time of purchase if the game developer opted to offer refunds on pre-purchase in non-valve games are not refundable through steam. Refunds on pre-purchase a title on Steam (and you paid for the title in advance) you can request a refund at any time before the release of that title. The standard repayment period of 14 days / two hours also applies, starting from the funds of the Steam portfolio within fourteen days from the purchase if they were purchased on Steam and if you have not used any of those funds. Renewable subscriptions for some content and services, the steam offers periodic access (eg monthly, annual) that is paid on a recurring basis. If a renewable subscription has not been used during the current billing cycle, you can request a refund within 48 hours of the initial purchase or within 48 hours from any automatic renewal. The content is considered used if games have been played inside the subscription during the current billing cycle or if any benefits or discounts included with the subscription at any time going to the details of your account. Once canceled, your subscription will no longer be renewed automatically but will keep access to the content and advantages of the subscription through the end of the current billing cycle. Steam hardware within the applicable time frame identified in the hardware reimbursement policy, you can request a refund for hardware and steam accessories purchased through Steam for any reason. It is necessary to ship the hardware reimbursement policy for detailed guidelines on the return process and For steam hardware and accessories. Refunds on packages You can receive a full refund for any bundle purchased on the steam store, provided that none of the elements in the package has been transferred and if the combined use time for all items in the package is less than two hours. If a package has been transferred and if the
combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and if the combined use time for all items in the package has been transferred and items in is refundable during check-out. Purchases made outside the steam valve cannot provide refunds for purchases taken outside the steam (for example, CD keys or steam steam wallet purchases made outside the steam valve cannot provide refunds for purchases taken outside the steam valve cannot provide refunds for purchases taken outside the steam (for example, CD keys or steam steam wallet purchased from third parties). VAC Bans If you have been banned from VAC (the valve anti-fraud system) on a game, lose the right to repay that game. Video content We are unable to offer reimbursements for video content on Steam (E.G. Film, shorts, series, episodes and tutorials), unless the video is in a package with other refundable content (not video). Refunds on non-redemption gifts can be reimbursed under the same conditions if the recipient of the gift starts the refund. The funds used to purchase the gift will be returned to the original buyer. EU withdrawal For Steam Customers, click here. Abuse reimbursements are designed to remove the risk of buying titles on Steam A ¢ â, ¬ "not as a way to get free games. If you see us that you are abusing reimbursements, we might stop offering them to you. Do not consider the 'Abuse to request a refund on a title that was purchased just before a sale and then immediately rebuild that title for the sale price. Definitions wherever we speak of personal data below, we mean any information that can identify yourself regardless of the user as an individual ("personally" identifier) or that can be linked to you indirectly by connecting it to personally. The valve also processes anonymous, aggregate or not data, to analyze and produce statistics relating to habits, use models and demographic data does not allow these anonymous, aggregate or not data, to analyze and produce statistics relating to habits, use models and demographic data of customers as a group or as individuals. These anonymous data does not allow the data of customers are described by the d identification of the customers to which it refers. The valve can share anonymous, aggregated or not, with third parties. Other terms capitalized in this Privacy Policy have the meanings defined in the agreement on steam subscribers ("SSA"). 2. Because the valve collects and processes the data valve collects and processes personal data for the following reasons: a) where it is necessary for compliance with the legal obligations we are subjected to (for example our obligations to maintain certain information pursuant to tax laws); c) if it is necessary for the execution of our agreement with you to provide a complete game services; b) if necessary for the execution of our agreement with you to provide a complete game services; b) if necessary for the execution of our agreement with you to provide a complete game services; b) if necessary for the execution of our agreement with you to provide a complete game services; b) if necessary for the execution of our agreement with you to provide a complete game services; b) if necessary for the execution of our agreement with you to provide a complete game service and provide a complete game services; b) if necessary for the execution of our agreement with you to provide a complete game service and provide a complete game services; b) if necessary for the execution of our agreement with you to provide a complete game service and provide game service game service game service game service game the purposes of the legitimate and legal interests of the valve or a third party (for example the interests are overwritten by its own interests are overwritte personal data we collect and how we use it (section 3. below), for how long we observe it (section 6. below). 3. Data types and sources We collect 3.1 Account basic data When setting up an account, the valve will collect your email address and the country of residence. You are required to choose a username and password. The provision of this information is necessary to record a Steam user account, without directly exposing the identification information personally on you. We do not need to provide or use your real name for configuring a Steam user account. 3.2 Transaction and payment data In order to make a transaction on Steam (for example to purchase subscriptions for content and services or to finance the steam portfolio), it may be necessary to provide payment data to the valve to enable the transaction. If you pay with your credit card number, expiration date and security code) to the valve, as a valve processes and transmits to the service provider payment of your choice to enable the transaction and perform antifeedback or other user-generated content. These data includes: information provided when requesting information or support from our part, including the information necessary to process yournation that publishes, comment or follow one of our content and services; Information provided when requesting information necessary to process yournation or support from our part, including the information necessary to process yournation necessary to proce orders with the relevant payment merchant or, in the case of physical goods, shipping service providers; Information you provide you when they participate in competitions, competitions and tournaments or responding to investigations, eg Your contact details. 3.4 The use of the Steam customer and websites we collect a variety of information applications to verify that you are not a bot and optimize our services. "Information about your ID Steam, as well as what is usually referred to as "games and other subscriptions to provide you with services, we must collect, store and use various information about your activity in our content and services." statistics". For the statistics of the game we mean information on your games preferences, progress in games, playtime, as well as information about the device and block data. 3.6 Tracking data and cookies we use "cookies", which are text files inserted on the computer and similar technologies (eg web beacons, pixels, tag tags and device identifiers) to help us analytical or website functionality. The use of cookies is standard on the internet. Although most web browsers automatically accept cookies, the decision to accept or not it's yours. You can adjust the browser settings on your browser is further detailed on the following guide page: However, please note that if you do it, you may not be able to access the complete feature of our services, our se section 3 so that the content, products and services shown in the steam store pages and update messages displayed when starting the Steam client can be adapted to meet your needs And populate with relevant recommendations and offers. This is done to improve your customer experience. You can prevent your data processing in this way by switching off the automatic loading of the steam store and steam notifications in the "Interface" section of Steam client settings. Subject to separate consent or, if explicitly permitted pursuant to applicable laws on e-mail marketing, the valve can send you marketing messages on the products and services offered by the valve to your e-mail address. In this case we could also use your information collected to customize these marketing messages and collect information about the fact that you have opened these messages and which links in their text you have followed. You can deactivate or collect your consent to receive marketing e-mail at any time withdraw the consent on the same page in which it previously provided it or by clicking on the "Cancel registration" link provided in each marketing e-mail. 3.8 Information needed to detect violations and applicable laws ("violations"). This data is used only for the purposes of detection, investigation, prevention and, where appropriate, acting on these violations and stored only for the minimum amount of time required for this purpose. If the data indicate that a violation has occurred, we will further store the data for the establishment, exercise or defense of legal requests during the statute of the applicable limits or until a legal case has been resolved. Please note that the specific data stored for this purpose cannot be disclosure will compromise the mechanism through which we detect, investigate and prevents these violations. 4. For how long we retain the data we will store only your information until it is necessary to fulfill the purposes for which the information is collected and processed or "where the applicable law provides for a longer storage period" for storage and Preservation period by the applicable law. In particular: if you finish your Steam user account, personal data will be marked for cancellation, except that the legal requirements of the grade or other prevailing legitimate purposes dictate a longest memory. In some cases, personal data cannot be completely canceled in order to ensure the data and scores or the game of other players will not be deleted; Rather, your connection to these matches will be permanently anonymous. Please note that the valve is necessary to maintain certain transactional data in commercial and tax law statutory for a period of up to ten (10) years. If you collect your consent on which your child's personal data or personal data is based, we will delete your personal data or we will respectively return your child's personal data without undue delay to the extent that collection and processing of your personal data, we will examine your objections and eliminate your personal information we have developed for the purpose to which you have objected without undue delay, unless another legal basis exist for elaboration and The maintenance of this fact exists or if the applicable law does not require us to store the data. 5. Who has access to the data valve does not sell it sells Data. However, we can share or provide access to each of the personal data categories that we collect if necessary for the following
corporate purposes. 5.1 Valve and its subsidiaries can share your personal data between them and use it in the necessary degree to reach the purposes listed in section 2 above. In case of reorganization, sale or fusion we can transfer personal data to the relevant question subject to applicable laws. 5.2 We may also share your personal data with our third-party service providers that provide customer support services in relation to goods, content and services distributed through Steam. Your personal data will be used in accordance with this Privacy Policy and only for what is necessary to perform custome support services. 5.3 In accordance with Internet standards, we can also share certain information (including your IP address and identification of steam content delivery network suppliers that provide content delivery network services and services and services in relation to steam. Our content delivery network providers allow the delivery of the requested digital content, eg. When using a distributed server system that provide the content to you, based on the geographical location. 5.4 Google Analytics Our website uses Google Analytics of the requested digital content, eg. When using a distributed server system that provide the content to you, based on the geographical location. operators analyze how visitors use the site. The information generated by the cookie on the use of website visitors will generally be transmitted and stored by Google on servers in the United States. On this website, IP anonymization has been activated. The IP addresses of the users visiting the steam will be abbreviated. Only in exceptional cases a complete IP address will be transferred to a Google server in the United States and shortens there. On behalf of the website for its users, in order to fill in relationships on the activity of the website and provide other services related to the activity of the website and all 'Use of the Internet for site operators. Google will not associate the IP address transferred to the complete feature of this website. You can learn more about how Google Analytics collects and uses data on www.google.com/policies/privacy/partners. Furthermore, it is possible to prevent the collection and treatment of Google data on your website use, downloading and installing the browser plug-in through the following link: HL = en. 5.5 We make some data relating to your STEAM user account available for other players and partners through the Steam Works API. This information can be accessed to anyone questioning your Steam ID. At a minimum, the name of the public character you have received a prohibition for barbed a multiplayer game. The accessibility of any additional information on you can be controlled through the user profile page are automatically accessible through the SteamWorks API. In addition to publicly available information available, game developers and publishers have access to certain of the SteamWorks API directly related to the users of the game, results you have completed, your game Multiplayer Matchmaking Matchmaking In-game articles and other information needed to manage the game, please review your store page. While consciously welcome the identification information personally on you through the SteamWorks API as your real name or your e-mail address, all the information you share on yourself on your public steam profile are accessible through the API SteamWorks, including information that could be identified. 5.6 The Steam Community includes message cards, forums and / or chat areas, in which users can exchange ideas and communicate with each other. When you post a message to a card, a forum or a chat area, please be aware that the information is made publicly available online; Therefore, you're doing it at your own risk. If your personal data is published on one of our community forums against your will, please use the Reporting function and the steam help site to request your removal. 5.7 The valve may allow you to connect to an account to an account to an account to the degree allowed by your consent at that time. If the connection of the accounts requires the transmission of information about your person from the valve to a third party, you will be information and transmission of your information. The use of your third-party information will be subject to third-party privacy policy, which we invite you to review. 5.8 Valve can release personal data to respect legal orders or laws and regulations that require you to reveal this information. 6. The mechanisms of law and control The data protection laws of the European Economic Area, of California and other territories guarantee their residents some rights in relation to their personal data. While other jurisdictions can provide less statutory rights, we make the tools designed to exercise these rights available for our customers all over the world. To allow you to exercise these rights available for our customers all over the world. To allow you to exercise these rights available for our customers all over the world. Dashboard"). This gives you access to your Steam account. In most cases, you can access, manage or delete personal data in the Dashboard privacy, but you can contact the valve with questions or requests through the contact processes described in sections 8 and 10 below. As a resident of the European Economic Area, you have the right to access your personal data that we keep yourself, ie the right to request free information (i) for free if the personal data is maintained. You can use the right to access your personal data through the privacy dashboard. If the request affects the right to access your personal data maintained are the right to access your personal data through the privacy dashboard. If the request affects the right to access your personal data through the privacy dashboard. charge a reasonable commission (taking into account administrative costs Provide information or assume the required action) or refuse to act the required action or assume the required action of the required action purposes for which it was collected. If your personal data is inaccurate or incomplete, you can change the information provided through the privacy dashboard. 6.3. 6.3. to cancel. You have the right to obtain the cancellation of the personal data that concerns you if the reason we could collect it (see section 2. above) no longer exists or if there is another legal ground for its cancellation. For individual personal data elements, please change them through privacy dashboard or request cancellation via the steam support page. As a result of the elimination of the Steam User Account, you will lose access to Steam services, including the steam user account, subscriptions and information related to the games connected to the steam user account for. We allow you to restore your Steam user account during a grace of 30 (thirty) days from the moment you request the deletion of your Steam user account. This feature allows you not to lose your account by mistake, due to your loss of your account by mistake, due to hacking. During the suspension period, we will be able to finalize financial activities and other activities that you might have started before sending the request to delete the steam user account. After the grace period, the personal data associated with your account will be deleted subject to section 4. above. In some cases, the deletion of your Steam user account, and therefore the deletion of your work for a game developer, you can only delete your Steam user account after transferring this role to another user or yes The commercial relationship is dissolved. In some cases, considering the complexity and the number of requests, the period for deleting personal data is based on legitimate interest pursuant to Article 6 (1) (f) of the GDPR / SECTION 2.C section of this Privacy Policy, you have the right to oppose this processing as described in Article 21 of the GDPR; In particular, if the data is necessary for the establishment, exercise or defense of legal statements. You also have the right to obtain the restriction of the processing of your personal data under the conditions referred to in Article 18 of the GDPR. 6.6 Right to personal data portability You have the right to receive your personal data in a structured format, commonly used and readable by machines and has the right to transmit such data to another controller pursuant to the conditions referred to in Article 20 of GDPR. The valve makes your personal information available in structured HTML format through the privacy dashboard as described above. 6.7 Right to post-mortem control of personal data is applicable to you, you have the right to establish guidelines for storing, cancellation and transmission of personal data after death in accordance with Article 40-1 of the company n. 78-17 of 6 January 1978 on information, technologies, data files and civil freedom. 7. Children the minimum age to create a steam user account is 13. The valve will not consciously collect personal data, the valve requires parental consent before a steam user account and the personal data associated with it could be created. The valve encourages parents to educate their children to ever issue personal information when online. 8. MORE INFORMATION You can contact the valve data protection manager at the address below.
